OVERVIEW

The purpose of the Alcatraz Living History Day is to enhance the experience of visitors to the National Park. It is hoped that the living history program will augment the visitor's understanding and awareness of the many layers of history present on the island.

The story of the Post on Alcatraz Island, as it was officially known, is largely untold. As a participant in the Living History Day, you will be tasked with the telling of this story from a very human perspective.

The National Park Service is gearing up for the sesquicentennial of the American Civil War. In keeping with these programs, we are beginning to gear up living history on the island.

Military impressions must be that of a unit stationed on the island during the War Between the States.

Other impressions must be connected to the island. See IMPRESSIONS AND SCENARIOS on the

FOCWA web site for more information (<http://www.friendsofcivilwaralcatraz.org/>).

We will once again offer participants a guided tour of the Citadel (Defensive Barracks). Expect to interact with 4,000 visitors on Saturday, October 31.

CHANGES FROM THE LAST EVENT

Break Room

We will be utilizing the Staff Break Room located near the Dock.

Parking

PARKING WILL ONCE AGAIN BE AVAILABLE AT FT. MASON. Participants will be able to utilize the NPS shuttle. Priority will be given to individuals with weapons on the first shuttle(s). Note: PARKING AT FT. MASON IS AT A DIFFERENT LOCATION! Please see the PARKING MAP on page 3, below.

OTHER IMPORTANT INFORMATION

Boarding the Ferry

Alcatraz Cruises (ferry) runs on a very tight schedule. Because of this, every **participant must** be able to **carry what they are bringing** to the island **onto the ferry in ONE LOAD**. If you have a lot of stuff, please bring a cart, or like device to move your items.

Weapons Inspection

Weapons inspection will take place on the Alcatraz Cruises Dock AT **8:15AM**. **Your weapon will NOT be allowed on the island if the 8:15AM inspection is missed.** Per law enforcement, there will be NO EXCEPTIONS. **NO POWDER, NO CAPS.**

Simplified Registration

Please see HOW TO REGISTER FOR THE EVENT, on page 4, below.

WHAT TO EXPECT FROM THE WEATHER

October on Alcatraz can be relatively warm and sunny, cold and windy, overcast or foggy. All of the above in a single day is common. Layers work best. Bring authentic or concealable modern long underwear. A greatcoat and gloves are also recommended. If you have a rain proof (poncho), bring it along as well. A canteen is also a very good idea, because the location of your presentation might be 150 yards or more from a water source. It's one of those, "If you don't bring it, you'll likely need it" things.

RAIN

Rain is not particularly likely in October, but it's always a possibility.

In the event of rain, the Theater located inside the Civil War era Bombproof Barracks, will be made available for two or three presentations to take place. We developed several other rain sites earlier this year as well, but ultimately, IF we receive some showers, it will require some punting on the part of participants.

FRIENDS AND FAMILY

Friends and Family not participating in the living history day must obtain a ticket from Alcatraz Cruises (see WEBSITES on page 4, below). Tickets should be purchased well in advance.

DIRECTIONS, PARKING AND MAP

FOCWA volunteers will be at the lower ("Bldg. 101") parking lot to issue Parking Passes. **PARKING PASSES ARE A MUST.** A parking citation will cost you \$75.00.

- 2) DO NOT utilize a parking space with a PARKING METER. They are only good for two hours.
